HEADQUARTERS: 3511 Barley Mill Road, Hockessin DE 19707

Our Mission

Connecting people and nature to create a healthy environment for all, through education, conservation and advocacy

Photography by Christi Leeson

4 LOCATIONS

- ① Ashland Nature Center
- ② Coverdale Farm Preserve
- ③ DuPont Environmental Education Center
- ④ Abbott's Mill Nature Center

Healthy & Resilient

Goal: Healthy and plentiful ecosystems and communities that host a diversity of life and are resilient to changing conditions

Informed & Engaged

Goal: An environmentally literate, diverse community of people who understand the environmental challenges and who are engaged in finding and supporting creative solutions to these challenges

Dynamic & Sustainable

Goal: A compelling organization that serves as a model, change agent, and viable source of mutual support for natural areas and communities.
